GOVERNMENT HOLDING THEIR OWN AT IRUN.
(PICTURE BY AIR.) 21.8.36.

News from the Northern front of the Spanish civil war indicates that the Government forces are still holding their own at San Sebastian and Irun, and today they took the initiative. A heavy artillery bombardment started this morning, the Government batteries at Ports San Marcial and Guadalupe as well as Government torpedo boat guns in the mouth of the Bidassoa River, shelling the woods at the back of the Irun, which are occupied by rebels, and the Oryazun and San Sebastian road.
