

SPANISH REFUGEES FLEE OVER FRENCH BORDER.

/IF

The French frontiers are open to the refugee women and children of Spain, and pitiful scenes are to be witnessed as they pour across the border from their unhappy country. These pictures just received by air shows -

Photo shows - One of the pitiful scenes witnessed at Perthus. This old lady with her few possessions she managed to take with her, photographed on crossing the French border at Perthus.  
FOX JAN 29th 39.
