

WAR RAVAGED SPAIN IN HANDS OF FRANCO.

CH/CA.

These photographs just arrived in London by air, show scenes in Barcelona after Franco's capture of the city. After what is described as a bloodless victory, the people gradually returned to normal life. ~~From~~ Barcelona, however, still carries the scars of recent bombings and there is ample evidence of the many air raids.

Photo shows- A scene in Barcelona harbour showing one of the boats (a British one) sunk during a recent bombing raid.
