

RESIDENTS WELCOME VICTORIOUS FRANCO TROOPS
IN CASTELLON.

The heaviest loss sustained by the Government forces since Franco's troops cut Spain in two by their drive to the Mediterranean came when the important town of Castellon de la Plana, forty miles north of Valencia, fell after a fierce battle.

There were hand to hand fights in the streets before the Loyalists surrendered.

PHOTO SHOWS: Residents greeting with the Nationalist salute, General Franco's troops marching into captured Castellon.
