

**MORE REFUGEES CHOKER FRONTIER ROADS INTO
FRANCE.**

While the hard-pressed Spanish Government declared its intention of fighting to the end, thousands more civilian and military refugees were pouring across the Catalan frontier into France.

Already 150,000 are estimated to have crossed, while the frontier roads are choked with military equipment.

PHOTO SHOWS: The winding frontier road to Cerbere lined with vehicles carrying Spanish refugees. Ambulances and military lorries are in the line.
