

FUGITIVE SPANISH GOVERNMENT SOLDIERS
STREAM OVER FRONTIER OF FRANCE.

Thousands of Spanish Government soldiers continue to pour over the French frontier into France, where they are being interned.

As they cross the frontier line, the men are disarmed, their arms piled high in the roadway. Many of the refugees, enroute for an internment camp had to camp by the roadside last night, fires being lit to combat the bitter cold.

WIDE WORLD PHOTO shows:-

A French guard leads a party of Spanish Government soldiers as they cross the frontier at Perthus.
