

RED BOMBARDMENT SHATTERS ALCAZAR OUT OF
RECOGNITION

ASSOCIATED PRESS PHOTO SHOWS: ONE OF
THE PUTSIDE WALLS OF THE TOLEDO ALCAZAR
AFTER THE TEN WEEKS' BOMBARDMENT BY THE
RED FORCES. THIS VIVID PICTURE SHOWS
CLEARLY THE TERRIBLE DESTRUCTION WHICH WAS
WROUGHT ON THE CITADEL, AND THE PILES OF
MASONRY WHICH CAME TO BE HEAPED OUTSIDE
THE WALLS.
